Note: From 1961-1973, Hondo (nom de plume, or alias, or AKA Peter Cedarstacker) wrote a social satire column for the *Comfort News*. The fictional town of Cedar Creek and all of its characters eventually became the real town of Luckenbach and all of its characters (and Luckenbach has some real characters!) The MOON reserves a special corner for Peter Cedarstacker, Writer, as a corner of wit and human insight for us today.

## CEAR CREEK CLIPPINGS

The Cedar Creek Wurstbottoms visited the Big Flat Wurstbottoms Wed. of this week.

Things have been in a mess here in Cedar Creek this week. We have daylight savings time. Well, some of us do. The grocery store-beer joint is still on old time and just past the crack-

ers, in the post office we have daylight savin' time. The school in Cedar Creek has old time and the Bear Creek School has new, and that's why the two school buses ran smack into each other Monday.

Jesus McNeil is oh so upset. I saw him drinkin' beer at the post office and he looked kinda different. I asked him why he was so clean and he said he just ran outa dirty clothes.

He's been working real hard this week for the Joneses up at the head of the canyon, diggin' 'em a cesspool. He's the best cesspool digger (full time) in Cedar Creek and he takes pride in his work. The one he dug for the Joneses was six by six by six. Straight walls, neat bottom, and real square corners. A beaut! Well, Mr. Jones just up and died the day Jesus finished it and Mrs. Jones used Jesus' cesspool for Mr. Jones' grave hole. Jesus, temperamental creator and cesspool digger (full time) said it seemed like such a waste of talent. Artists are all alike in the end.
